ouRouters are reaching the end of the project and have several updates for you! Key milestones are wrapped-up in this 6<sup>th</sup> newsletter. Want to find more? Contact us or visit our website

### ouRoute project is now in its final stage

During the last 3 years, ouRoute partners implemented several different activities, that involved voyages of (re)discovery and “ethno-videographic” expeditions where students explored their cultural heritage and European certified routes. These activities lead to the development of several key resources...

### Showcasing ouRoute experience at the national level

In order to showcase partners' experience and motivate end-users to engage in meaningful and effective exploitation actions, four multiplier events of the ouRoute project are planned to occur at the national level in Italy, Spain, Portugal and Poland. These events will be organized by the local authorities' partners in close collaboration with the school partners and comprise two main...
